The Book for Kids Transitioning from Primary to Secondary School

Moving up from primary to secondary school can be scary. Going from being the bosses of the benches, to the youngest in a massive playground is hard. So if your pupils are heading to secondary school, ***Moving Up* is here to help them!**

From choosing their new school and the first day all the way up to final exams, leaving parties and proms, **this handy guide book will be the perfect companion for transitioning to secondary**, and get them feeling confident, building strong friendships, achieving great things and generally being the greatest that they can be.
