WHAT WE OFFER:

- Are you looking for an alternative activity after school with a qualified coach? Sapphire gymnastics is here to offer you structured gymnastics classes that will teach children co-ordination, balance and team building all through fun and engaging activities.
- The children will be learning fundamental gymnastics skills broken down into achievable steps to ensure a positive successful environment.
- Dive into a fun packed class with their friends and follow exciting lessons plans each week with the opportunity to learn and master new exciting skills with a qualified coach.
