Dear Parent / Guardian

Bikeability Cycle Training Course Years 3 and 4

A level 1 Bikeability cycle course will be run at the school for pupils in year 3/4 on the following dates

Tuesday 22nd – Thursday 24th April (3 days)

The 2 session course will include Highway Code theory plus skills exercises on the playground. Children will need **a roadworthy cycle** and will have to attend each day of the course. They should wear clothes appropriate for cycling and the weather conditions.

The children will also require a cycle helmet.

We are funding this course from school funds. Places are limited so if you wish your child to take part, please complete the consent form on Arbor, as soon as possible, together with payment.

Please note that the course is designed to improve cycle control, not teach children to ride. Children should therefore be encouraged to practise beforehand, especially signalling. If you would like some more information about the course please visit this website: www.bikeability.org.uk

Yours sincerely

Mrs L Whateley
