

WHERE LANGUAGES ARE CHILD'S PLAY

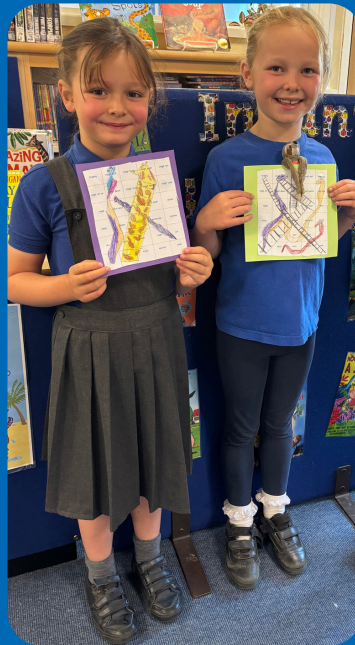

Lingotot Long Marston School French Club Newsletter Summer 1 2025

We have had quite a short half term at our Lingotot French club.

We've enjoyed consolidating our French by playing a variety of fun games and making some crafts linked to our sessions.

In our sessions this half term, the children were introduced to numbers 1-30 and days of the week.

The children played outside to consolidate their understanding of numbers and days of the week, and they showed their knowledge of numbers by counting in French playing 'Snakes and Ladders'. They even made their own snakes and ladders game.

The cost is £6 per session payable in advance for the half term.
